STATEMENT OF UNDERSTANDING  
STUDENT CAREER EXPERIENCE PROGRAM**

The Statements below are to be addressed by each student at the time of appointment to a position under the Student Career Experience Program.

1. I have received a copy of the Working Agreement between my academic institution and the Fish & Wildlife Service.
2. My questions concerning the terms of the Agreement have been answered to my satisfaction.
3. I understand that my employment as a student may extend the time necessary to complete degree/education requirements.
4. I agree to provide a copy of my current transcripts to the student program coordinator Barbara Menough, at the beginning of each work period.
5. I understand that I must maintain the academic good standings and satisfactory work performance standards as outlined in the Agreement, and that failure to do so may result in termination from the Program.
6. I must complete all required work hours prior to graduation.
7. I agree to the provisions of the Agreement which permit the sharing of appraisal information between the employing bureau and academic institution. I understand my authorization is necessary in view of the Privacy Act of 1974 and that my failure to do so could result in disqualification for participation in the Program.
8. It is my understanding that although the employing bureau will make every effort to place a student in a position upon completion of the Program, there is no absolute obligation to do so.
